Jordison Construction, Inc.
3917 NW 121st Street
Urbandale, Iowa 50323

On behalf of the entire Story Construction family, I'd like to congratulate Jordison Construction, Inc. for being nominated for our 2018 Subcontractor of the Year Award.

This award is presented each year during our Annual Industry Appreciation Event and is significant because nominations come from our project managers, engineers, superintendents and estimators. You should be proud that your company stood out among our subcontractors as a firm that supports our Core Values: Honest, Caring, Integrity, Hardworking, Helpful and Planful; and Desired Partner Characteristics: Character in dealings, Forthcoming with information, Authority to make decisions, active Listeners, and Joyful in your project role. In addition, commitment to Story's Construction Production 2.0 method at pre-construction and construction is an important criterion.

Jordison Construction, Inc. was nominated for your work at the Storey-Kenworthy Warehouse project with the following comments:

Jordison was honest through the bidding and buyout portion of Preconstruction. Their crews were hardworking as they got the foundations done ahead of our milestone dates. They were helpful in creating the building shell and the diagram, and they were helpful in evaluation materials and methods for staging/working area for precast and steel erection. They have always been a rock-solid contracting partner.

We hope you will share these comments with everyone at your company and let them know we truly value our relationship with you.

Again, congratulations on your nomination and thanks for your continued partnership with Story Construction.

Sincerely,

Pat Geary
Chief Operating Officer
